

# *A complete product line ...*

*Our wide range of herbs allows us to made individualized formulas.*

*Aware of the difficulties sometimes encountered by TCM practitioners to adapt a recipe and sometimes even to find a recipe to meet the needs of customers, we have a team of TCM consultants offering advice on adapting formulas according to diagnosis. We are at your side to find together the best solution.*

*To be able to customize the formulas to the needs of practitioners. We make use of our specialized TCM literature, using dozens of different authors to prescribe the most suitable formulas to one's need.*

*Also aware of the time constraints of a practitioner, the page of a book or a bibliographic reference with a duration of treatment is enough for us to prepare the good recipe, which will then be shipped the same day.*

*Our team is capable of producing several hundred recipes every day, in accordance with the rules of art and quality controls in place.*

## *A road to harmony, balance, and health*

*Sinolux strives to provide a harmonious, friendly and professional environment by employing only the most competent staff.*

*All our staff is encouraged to participate in TCM training.*

*We actively attend conferences organized by the schools, involved in all TCM topics.*

*Like any dynamic structure, Sinolux is in constant evolution, adapting to the demands of market and regulations in force while remaining very close and attentive to his customers.*

*Our first concern is answering to you with pleasure, helping in your choices and assisting in your search for optimal formulas.*

*A complete product line... 10.000 recettes et plus ...*

**From Anguo to customers.**

*Sinolux only choose to work with manufacturing partners who comply to GMP standards. Using the Chinese pharmacopoeia as guidelines and references for start materials, processing and laboratory testing to ensure our end products meet all the quality requirements.*

#### **DH Raw Herbs**

Raw herbs have a long history in Chinese medicine.

It was mentioned in Huang Di Ne Jing. Some practitioners believe the herbal decoction to be the most effective form of administration of TCM.

#### **RP Raw Powders**

Raw powder was introduced during a time of epidemics (960-1272AD) Raw powders are herbs milled to a very fine gauge. They still require a short time of boiling or use our thermal flask boiling method before administration.

#### **CP Concentrated Powders**

Concentrated powder was first invented by the Japanese. It gained popularity due to its flexibility and readiness for ingestion.

#### **CAPS (capsules)**

The capsules are encapsulated with 5:1 ratio of concentrated powders. They are practical, effective, safe and price sensitive. We carries different sizes of capsules, vegetarian or non-vegetarian to accommodate your needs.

#### **Pills**

Chinese patents formulas (wan) play a major role in the theory and practice of TCM. Sinohua, our signature brand of traditional and classical formulas, are time-tested for safety and effectiveness. Also at an affordable price.

#### **Pian tablets**

Sinolux currently offers over 200 Chinese herbal formulas in tablet form. Our tablets are compressed cooked powders in a solid form with no fillers or binders added. Easy to administrate at an unbeatable value.

#### **Cream and ointments (external applications only)**

Sinolux only use natural herbal ingredients to produce their creams. No pharmaceuticals, dyes, preservatives or coloring substance added.

#### **Dermatology and Gynecology - Booklets**

We have our exclusive range of Dermatology and Gynecology formulas specifically designed for Sinolux. The Booklet, available at a low cost, on request, it is very resourceful. Many practitioners use it as part of their research tool.

#### **Acupuncture**

A very wide selection of needles and equipment for acupuncture available at our partner Jing Wei Shop. ([www.jingweishop.com](http://www.jingweishop.com))

**Your Chinese Plant Specialist**

*Sinolux* was founded in 1990 with the aim of providing European practitioners with the best traditional herbal medicines. Our co-founder Mr Serge Viaud's inspiration and profound knowledge in TCM are strongly influenced by the late Professor Leung Kok Yuen.

Professor Leung Kok Yuen a world-renowned expert in CHM lectured TCM in France during the last quarter of the twentieth century. He is probably one of the most important figure in terms of TCM movement occurred over this period.

*Continuous research of quality*

**Sinolux** fostered and adapted to Professor's principles and have integrated the tradition with modern science, worked relentlessly and developed a range of products complied to strict quality standards and safely.

**Sinolux** recognizes that their ongoing success and future expansions depends on their commitments to the health, quality and safely excellence. It is their mission to continue to provide a leading role in this industry to preserve this conscious value.

**Sinolux** would like to invite all potential partners not to walk in front or behind them, we would very much like you to walk beside us, so we experience our role as traditionalist and revolutionist.

**We will work toward the same goal to provide a better and healthier everyday life to humankind.**
